

Twelfth Night Cast & Crew

Thank you to everyone who auditioned and interviewed for a position on the crew!

Your talents make the casting process very difficult.

If you were not selected this time, remember that every show has unique roles, and the next one may have just the fit for you!

Auditioning is a skill in itself - continue practicing and I look forward to seeing you next time.

The next opportunity to audition and interview will be in late November for the spring musical, *Children of Eden!*

The following people have been selected for the cast and crew of Twelfth Night.

Our first full company meeting will take place on Friday, September 7th at 2:15 pm in room 1216.

All crew are called from 2:15-3:00 pm.

Cast, assistant stage managers, assistant director, and stage manager are required to stay until 4:00 pm.
